Whilst every effort is made to accurately represent these floor plans, measurements are approximate, and to scale and for illustrative purposes only.
 Datchet Energy Assessors Ltd with © London Living www.london-living.com

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating, the more energy efficient the home is and the lower the fuel bills are likely to be.

The environmental impact rating is a measure of a home's impact on the environment in terms of carbon dioxide (CO₂) emissions. The higher the rating, the less impact it has on the environment.
